

Havells/Quality/DOL Intimation Letter/Rev.00 - 16/12/2013

Date: 26.02.2014

To,

B K PRINT AND PACK HARIDWAR

Dear Supplier,

Sub: Award of DOL status to identified components supplied by your organization

Thank you for signing off Quality Commitment agreement with effective from **21.01.2014**. Further to your continued efforts and commitment for ensuring quality requirements, we are pleased to award you the status of 'DOL' (Direct on Line) for the components for which Product Documentation is already agreed and implemented. This special status will allow your components to be used direct on our production line.

It is therefore, important for you to continually monitor your manufacturing process as conformed during last audit. Any deviation from the process control should be avoided which otherwise may lead to withdrawal/cancellation of DOL status.

You have been already given all product/part technical details, which needs to be complied while producing at your end. Also, each lot shipped to Havells must carry a PDIR (Pre Dispatch Inspection Report) in the agreed format.

With best regards,

(Havells India Limited)
